

EMULSIFY PRO STAIN REMOVER

TECHNICAL SHEET

DESCRIPTION

Emulsify Pro is a powerful, all-purpose pre-spotter, pre-soak and stain remover designed for superior cleaning performance across multiple surfaces. Formulated with high concentrations of surfactants and cleaning solvents, it effectively removes a wide range of stains including blood, coffee, ink, mud, oil & grease stains, suntan lotion, grass, mud, makeup and lipstick, food stains, wine and carbonated beverages.

Originally developed for professional laundry use, Emulsify Pro is also highly effective on carpets, upholstery, table linens, uniforms, towels and a variety of washable fabrics and surfaces. Its alkaline formulation is tough on stains yet gentle enough for most materials, making it ideal for healthcare facilities, hospitality, commercial cleaning and home use.

PRODUCT FEATURES/BENEFITS

- Multi-surface stain removal – safe for most washable fabrics, carpets and upholstery.
- Can be used a spotter, pre-soak or pre-treatment to remove the toughest stains.
- Colour safe and colourless formula.
- Removes common and stubborn stains such as food, coffee, makeup, wine and grease.
- Helps extend the usable life of fabrics and materials.
- Eco-friendly and phosphate free.

DIRECTIONS FOR USE

- Do not mix with anything but water.
- Always test for colour fastness and material compatibility in an inconspicuous area.
- Identify the stain type before treatment for best results.
- Always wash or rinse thoroughly after treatment.

As a Pre-spotter – Laundry, Carpet, Upholstery:

1. Spray or apply Emulsify Pro liberally to the stained area.
2. Allow product to dwell for 5-10 minutes before laundering or extracting.

As a Pre-Soak – Laundry use:

1. Place stained items in a suitable container.
2. For light stains, use 6 oz per gallon of water.
3. For heavy stains, dilute at a ratio of 1:5.
4. Soak for 45 minutes to overnight, depending on severity, before washing.

For Carpet & Upholstery Stains

1. Apply directly to stain.
2. Agitate gently with a clean cloth or soft brush.
3. Allow to dwell for 5-10 minutes.
4. Blot or extract with clean water until residue is removed.

PRODUCT SPECIFICATIONS

- Appearance.....Opaque, free flowing liquid
- Colour.....Colourless
- OdourNone
- Specific Gravity (at R.T).....1.05 ± 0.02
- pH (100% solution).....11.5 ± 1.0
- Active Ingredients.....Water, anionic surfactants & solvents.
- Shelf Life.....1 year

SAFETY INFORMATION

CAUTION: Keep Out of Reach of Children. Harmful if swallowed. May cause irritation. Always store in a cool, dry place in an opaque bottle away from sunlight. Protect eyes and mucous membranes from contact with this product and solutions of it.

PRECAUTIONARY STATEMENTS: See SDS for complete Precautionary Statements, First Aid, Physical or Chemical Hazards and Storage and Disposal.

GENERAL USE DIRECTIONS:

As a pre-soak: Dilute 2-4 oz per gallon of warm water. Soak items for 15-30 minutes before washing.

As a pre-spotter: Apply directly to the stained area. Let sit for 5-10 minutes, then launder as usual.

As an Additive in the wash cycle: Add 4-6 oz per 60 lb. load directly with Chem Power in the 5 step- laundry system. For a 3 step laundry system, add with or just before Chem Wash or Whizz laundry detergent as it helps breaks down grease and tough stains early in the cycle and boosts the cleaning power of the detergent.

Caution:
Can cause skin and eye irritation. Do not get in eyes, on skin or on clothing. Wear protective gloves, eye protection, etc. Store upright in a tightly closed container away from direct sunlight or heat to avoid further deterioration. Do not reuse container. Dispose of properly after use.
